Subject: Letter of Recommendation

To Whom It May Concern,

I am writing to recommend to you Dr. Paul McLaughlin. I have personally known Dr. McLaughlin for the last five years. In that time I have observed Dr. McLaughlin to be a faithful, committed servant of God. He has exhibited a spirit of excellence, integrity and fidelity.

Dr. McLaughlin has a burden for lost souls as well as those who are troubled in their lives. He has a good understanding of missions, having served as a missionary for many years.

Dr. McLaughlin is a team player, having faithfully served on the staff of Bible Baptist Church of Bradenton. He has lent to ROMA his wisdom as a part of the training staff of ROMA.

It is with great pleasure and confidence that I recommend Dr. Paul McLaughlin to you as a missionary.

Your servant,

Timothy Clark
